**Speakers – Laurie Peterson, WDFW Puget Sound Salmon
Fishery Manager and Aaron Bosworth, District Biologist for
Green River/Lake Washington**

We are pleased to announce our speakers for the November meeting, Laurie and Aaron from WDFW. We have compiled a list of thoughtful questions that are of great concern for our club and we are looking forward to hearing their answers.

Laurie has worked for Washington Department of Fish and Wildlife (WDFW) for nearly 20 years in the field of salmon fisheries science and management. She received a Bachelor of Science in Ecological Biology from UCLA and a Masters degree in Aquatic Conservation Biology from Yale University. Her career with WDFW began in 1997, working on salmon population monitoring and harvest assessments in the rivers and marine areas of Puget Sound. Prior to coming to WDFW, she worked for The Oceanic Institute in Hawaii, conducting research and development of a marine fish stock enhancement program for the state. Since then she has been focused on managing and monitoring salmon fisheries in Puget Sound, and she serves as the U.S. chair of the Southern Panel for the U.S.-Canada Pacific Salmon Commission. Outside of work Laurie works to balance her favorite activities of kayaking and fishing, playing music, and enjoying life with her young daughter and family.

Aaron Bosworth, Fish Biologist Puget Sound, will be assisting Laurie in answering some of the questions. Aaron has presented at our chapter in the past and has extensive technical knowledge and experience with the Puget Sound fisheries.

President's Message -- Carl Carver

Thanks to members Doug Williams, Duane Horton, and Rob Larsen for their outstanding presentation on coastal river fishing at our October meeting. The specifics on techniques/methods each presenter provided will definitely help me refine my skills and catch more fish. As I've said before, if you attend the meetings, listen to the experts, write it down and utilize/practice what they share based on many years of experience, you will be a happy fisher person.

I'm pleased again this month to see that another river (Green River) has had Coho fishing extended to December 31st. This happened as a result of a few of our chapter members contacting WDFW and explaining that there are lots of Coho in the river and we the sportsmen/women need opportunity to fish on them. WDFW reviewed the situation and opened the river within a day or two. It is great to see this kind of cooperation and how working together can make a difference.

We are winding down another successful year as a chapter and the November general meeting is the last of the year. We have the important business of nominating and approving our chapter officers for 2017 at this

meeting. We will also be talking about our year end Christmas Banquet celebration (see the details in the write-up below). The banquet is a great time and I encourage you to give it a try. You won't be disappointed.

We always have great fishing reports by our members, which can be quite entertaining as well as extremely useful on where the fish are, what to use, and where to find the fish. The raffle always has some great prizes and excitement as well.

WDFW will be providing valuable information regarding 18 questions of interest that our chapter provided to them in advance of the meeting. This is a great opportunity to listen, have dialogue, and be a part of the learning/communication process. Let's show them how much we care about our fisheries and have a great turnout and warm welcome to these WDFW representatives.

As I've written in several President's Messages and talked about at our general meetings, **together/united** we can and are making a difference in our fisheries issues by weighing in and supporting when called upon.

I hope to see you and talk with you at our upcoming meeting. We will have a fun time and it is always informative/entertaining.

Sincerely,
Carl Carver

Tip of the Month – Winterize Boat Motors

It's that time of year where you'll want to remember, before it freezes, to get out and winterize those motors you will be storing for the long, cold winter. Norm said to be sure you take care of that lower unit, which loves to hold water, freeze and ruin your spring when it's time to fish again.

Founders Award

The board of directors established the Founders Award to recognize the member that has gone above and beyond the "call to help with the club". The first annual award was given to the founding fathers of the Save Our Fish (SOF) Chapter of Puget Sound Anglers.

The board of directors will begin accepting nominations for this year's award at the September general meeting.

There will be ballots and a secure ballot box at the meeting and at the September and October meetings. If, for some reason, a member is not able to vote by ballot at the meetings (September/October) they may send a nomination to Carl Carver by email (crciec@msn.com) up to the day before the November board meeting. It will be placed in the ballot box.

Frank Urabeck receives
the 2015 Founders Award

The winning member will be chosen by the board of directors.

Criteria for nomination of a member

- Participation in chapter activities
- Hard work for the chapter
- Support of fellow members
- Goes above and beyond what is expected
- Takes initiative to further chapter goals/objectives

The nomination must have a brief explanation of why the member is being nominated, as the board of directors must have an understanding of why this member is being considered for this award. There will be space on the ballot for this explanation.

This process will not be by voice vote on the floor. A ballot must be presented to the board.

The board will make the decision at the November board meeting and present the award at the December meeting, which will also be the, Christmas dinner party.

Election of Officers for 2017 & Board of Director Openings

We will be electing our officers for 2017 at our November 16th meeting. If you would like to run for an office or nominate someone for President, Vice President, Secretary or Treasurer this is your opportunity. Our current officers have agreed to run for their offices in 2017 with the exception of Vice President. We need and are open to new officers as many of us have been in these offices for several years. We have an excellent board of directors and there is considerable experience, knowledge, and support to help new officers transition if elected. Being a board member is a great way to prepare for one of the offices as well. The board of directors has openings as well for those who would like to oversee the business of our chapter. We meet the 2nd Wednesday of the month at Auburn Round Table Pizza from 6-8pm. Some of the business we conduct is review minutes from previous meeting, membership status, financial status, monthly speakers, raffle status, Newsletter, Website, Events, Outings, Projects, Coastal Conservation Association (CCA) status, and new business. Members are welcome any time to sit in on a board meeting to meet our board, to see how we operate, to provide input, and/or to discuss joining the board.

Christmas Banquet – December 3rd

Reminder- This year's Chapter Christmas Party Banquet will be held December 3rd at the Kent Senior Activity Center (same place as last year). Doug Williams is our party chairman and will bring signup sheets and discuss this event at our October and November meetings. Sign-up will be for attendance, potluck dish and other various duties. Our chapter will provide the turkey (prepared by Rob Larsen), water, coffee, and soft drinks.

We need you to send fishing pictures to Rich Gregory, sofpsa@hotmail.com as soon as possible so he can get an early start on putting the slide show together.

We will have a silent auction again this year which helps generate funds for the chapter. Donations of items other than fishing gear are encouraged to keep our non-fishing family members interested. We will have a

Smoked Salmon contest again this year. Bring your favorite recipe for the taste test. Everyone will have an opportunity to vote on the best tasting smoked fish and a prize will be awarded by the chapter. The prize is yet to be chosen but a fillet knife has been suggested since it has been given out to past winners. We are also asking everyone to bring a special lure to hang on the "Lure Tree" which will be displayed in the hall. You will receive a ticket and there will be a drawing for the tree winner. Bring a lure worth approximately \$5 to make it a special gift.

We will also have an awards ceremony to present the 2016 Founders Award and Presidents awards as well as introducing your 2017 board of directors, 2016 outgoing officers and 2017 incoming officers.

We had a great turnout last year and it was a special time of celebration with our chapter members and their families. It is truly the highlight event of the year full of fun, joy, fellowship, and fantastic food. Come join in and enjoy this year end event.

Floats for Sale by SOF

SOF purchased Paulownia wood floats (similar to Thill balsa floats) from Auburn S&M at a deep discount and is offering them to members. They are slightly blemished and were rejected by Beau Mac because the brass ring at the bottom is not well seated. This is probably not a problem if a bead is used below the float, but can be easily fixed by applying silicone or heating the ring to melt the glue to allow reseating. They sell at Sportco for \$3 each. There are six sizes: 1/4 oz, 3/8 oz, 1/2 oz, 5/8 oz, 3/4 oz, and 1 oz. Most bags include a bobber stop and two beads for each float. They are priced as below:

18 bags of 18 floats--3 each of all six sizes for \$20

2 bags of 15 floats--3 of each size (except 3/4 oz) for \$17

19 bags of 12 floats--3 of each of the four smallest sizes for \$12

3 bags of 12 floats--4 each of 5/8, 3/8, and 1/4 oz for \$10

23 bags of 20 floats--10 of each of the two smallest sizes for \$15 (No bobber stops or beads in many of these bags because we ran out.)

Recipe of the Month

HONEY BALSAMIC SHEET PAN CHICKEN

From: <http://tiphero.com/honey-balsamic-sheet-pan-chicken/>

Serves 4 to 6

Prep Time: 10 minutes

Total Time: 1 hour 10 minutes

INGREDIENTS

- ¼ cup balsamic vinegar
- 6 tablespoons honey
- 2 to 3 tablespoons olive oil, divided
- 2 cloves garlic, minced
- 1 teaspoon dried thyme
- ¾ teaspoon dried rosemary
- ½ teaspoon red chili flakes
- ¾ teaspoon kosher salt
- ¼ teaspoon black pepper
- 2 pounds chicken breasts (4 each), trimmed
- 1½ pounds baby red potatoes, quartered
- 1 pint cherry tomatoes
- 1 pound green beans, trimmed

DIRECTIONS

1. Preheat the oven to 425 degrees Fahrenheit (175 degrees Celsius).
2. In a medium bowl, combine the balsamic vinegar, honey, a tablespoon of olive oil, garlic, thyme, rosemary, chili flakes, salt and pepper. Stir well to mix.
3. Place the chicken breasts in a resealable plastic bag and pour the marinade over the top. Seal and toss the chicken to evenly coat. Marinate for at least 30 minutes.
4. While the chicken marinates, place the potatoes and cherry tomatoes on a sheet pan. Drizzle with the remaining olive oil, season with salt and pepper, and stir to coat. Bake for 25 minutes.
5. Remove the sheet pan from the oven and toss the green beans with the potatoes and tomatoes.
6. Remove the marinated chicken breasts from the plastic bag, reserving the remaining marinade in the bag. Place the marinated chicken, evenly spaced, on top of the vegetables. Pour the marinade from the bag over the top of the chicken and vegetables.
7. Return the sheet pan to the oven. Bake for 30 to -40 minutes, periodically basting the chicken breasts with the pan juices, until the internal temperature of the chicken reaches 165 degrees Fahrenheit (74 degrees Celsius).
8. Allow the chicken to rest for 5 to -10 minutes. Spoon the pan juices over the top of each chicken breast before serving.
